

2010 USEA Board of Governors Request for Nominees

Your recommendations for nominees to the Board of Governors are solicited.

A basic knowledge of the sport is desirable as well as a particular skill and experience in areas such as organization, publicity, finance, insurance and/or communication. Candidates should be willing and able to represent national interests as well as their USEA Area in policy making. Governors are responsible for their own travel and meeting expenses and must be available for three meetings per year as well as possible committee assignments.

Names suggested will be reviewed and maintained for either the current slate or possible future reference.
