

Charles Owen Technical Merit Award

Objectives

1. To provide incentives for riders who demonstrate exemplary cross-country technique.
2. To educate riders and trainers as to what constitutes safe riding across country
3. Provide feedback to riders and trainers

Program is purely informative, scores will not affect final scores. Cross-country scoring will remain objective. Technical merit scores are a parallel program.

Awards: All riders will be scored on a separate score sheet that will be available for pick-up at the completion of the competition.

Ribbons will be awarded 1st-5th. All riders earning a technical merit score greater than 7 will be qualified to compete in the final

Judges: ICP level IV instructors
USEA licensed officials
USET Sr. Team Riders
