

USEA Young Riders' Program

Each Area in the USEA has an active Young Riders' Program dedicated to the development of Young Riders in the sport of Eventing. Each Area has a volunteer Young Rider Coordinator, who will oversee all clinics and training opportunities within that Area. The program also provides an educational ladder of learning, offering a series of events leading up to the North American Young Riders' Championships. Upon receipt of this application, you will receive a Young Rider packet outlining the Area's activities.

Note: Additional dues will be required to join the Young Rider program (these dues are separate from USEA membership dues).

NAYRC CCI0-Y CANDIDATES:** A CCN will not be accepted as the competitor's three-day event qualification.

NAYRC CANDIDATES (CCI0-Y and CCI-JY*) - AREA DECLARATION:** A competitor's Area is determined by their address as listed with the USEA and U.S. Equestrian Federation (USEF) membership files. Competitors who choose to represent another Area MUST declare in writing to the USEA office, what Area they will represent no later than March 1, 2008.

Complete this information form and mail to your Area Young Rider Coordinator.

(Please see your Area page in the Omnibus)

Rider's Name: _____ DOB: _____

Address: _____

City: _____ State: _____ Zip: _____

Day Phone: _____ Email: _____

USEA member #: _____ USEA Area: _____
